GREATER READING CHAMBER ALLIANCE

READING-BERKS
Association of REALTORS®

Every year Reading-Berks Association of REALTORS® chooses a member to sponsor for the Leadership Berks program. Leadership Berks is a program run through Alvernia University in conjunction with the Greater Reading Chamber Alliance that serves as the premier source for developing, educating, and

connecting individual, organizational, and community leaders to enhance the quality of life in the Greater Reading area. Their mission creates such an amazing impact that R-BAR has consistently supported the program and sponsored one of our own to attend and grow in this program. Becoming more connected to the community and discovering exactly HOW to help in local non-profit organizations and community organizations is something we can all benefit from. This experience has definitely proven to grow local leaders of the highest potential!
